

GUIDELINES,
BODOLAND CEM CUP-1.0

BODOLAND CEM CUP-1.0

Introduction

The Bodoland Chief Executive Member's (CEM) Cup Football Tournament is an initiative by the Bodoland Territorial Council (BTC) with a commitment to leveraging sports as a vehicle for social transformation, designed to foster unity, promote peace, and nurture football talent across the Bodoland Territorial Region (BTR) with the tournament organizing at multiple administrative levels—including Village Council Development Committees (VCDCs), BTCLA Constituencies, Districts, and the Council Level— ensuring widespread participation and accessibility, allowing communities from the most remote villages to engage in organized sports and bringing together football clubs from across the region, providing a platform for athletes to showcase their talents and for communities to engage in a shared cultural experience.

Key Objectives-

1. Peace Building and Social Cohesion:

In a region that has experienced periods of unrest, the Bodoland CEMs Cup aims to promote peace and unity through the universal language of sports. Football serves as a unifying force, bringing together diverse communities and fostering a sense of collective identity.

2. Youth Engagement and Talent Development:

The tournament provides a structured pathway for young athletes to showcase their skills, gain competitive experience, and aspire to higher levels of play. By organizing matches from the VCDC level upwards, the BTC ensures that talent from even the most remote areas is identified and nurtured. This initiative complements other efforts, such as the establishment of football academies and the participation of Bodoland FC in national tournaments like the Durand Cup.

3. Community Engagement and Cultural Integration:

By involving local communities in the organization and execution of the tournament, the Bodoland CEM Cup fosters a sense of ownership and pride among residents. The event serves as a cultural festival, celebrating the region's diversity and promoting mutual respect among different communities. This communal participation strengthens social bonds and enhances the cultural fabric of the BTR.

5. Promotion of Healthy Lifestyles:

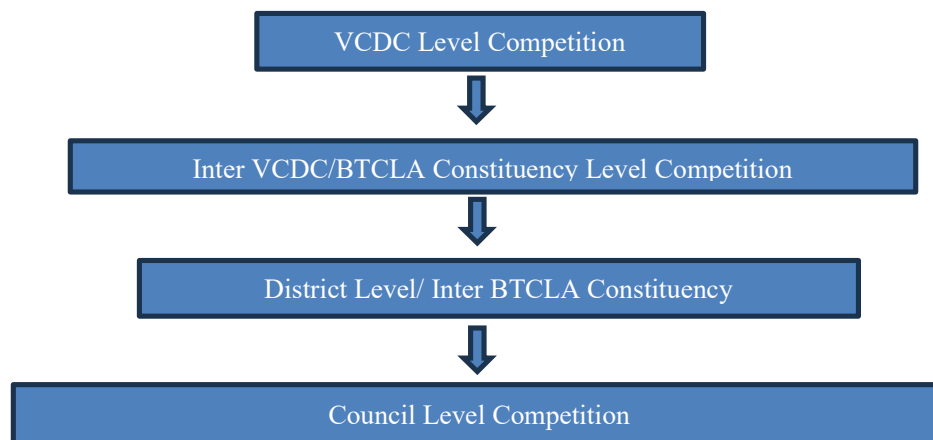

Encouraging participation in sports promotes physical fitness and mental well-being among the youth. The Bodoland CEM Cup serves as a platform to instill the values of discipline, teamwork, and perseverance, contributing to the holistic development of individuals and communities.
